

OXYCHEM COMMUNITY INVOLVEMENT GROUP

Tuesday, August 25, 2015

6:15 pm food ready – 6:30 welcome – adjourn at 8:30 p.m.

ending may be extended to 9:00 p.m. if needed

At USD261 (Haysville) Learning Center, 150 Stewart, Haysville

6:15 Food ready

6:30 **Welcome -- Agenda review -- Introductions**

Approval of June meeting notes

Meeting groundrules review

Updates

- From plant
- From members

Review Plans for Upcoming Meetings

- See plans for November 18 on pg 2
- Review dates for 2016:
 - Mon. Feb. 29
 - Thurs. April 28
 - Wed. June 29
 - Mon. Aug. 29
 - Tues. Nov. 15

RCRA

7:00 **Annual Report on Plant Corrective Action Program for On-Site and Off-Site Groundwater and Soils. *Presentation and Poster Session.***

- The annual report to the CIG on what the CIG has usually termed remediation will be presented by Juan Somoano of Glenn Springs Holdings (GSH), the affiliate of Occidental Chemical Corporation (OxyChem) that manages and implements remediation of historical environmental sites.
- Environmental remediation is a structured process for investigating potential contamination, looking for feasible remedies, and then determining what to do about contaminants in soil, groundwater, or other environmental media. Remediation at a plant falls under the EPA hazardous waste regulations, EPA oversight, and the plant's hazardous waste permit.
- GSH continues to work toward 2016 as the year in which the corrective action process will result in a decision about the need for any potential additional remedy for the Wichita plant's on-site and off-site corrective action program for soils and groundwater. Somoano will explain the status of the Remedial Investigation/Feasibility Study, the risk assessment, the work plan for the Corrective Measures Study, and the timeline leading toward an EPA decision on a final remedy.
- Following the project overview, poster boards of project maps and recent data will be available for closer inspection by anyone who is interested, and GSH and Oxy personnel will be available for an information session. The EPA Project Manager, Brad Roberts, is also planning to attend.

8:30 **Adjourn – may be extended until 9:00 p.m.**

DIRECTIONS

USD261 (Haysville) Learning Center, 150 Stewart, Haysville.

The building is just south of 71st Street. You can see "The Learning Center" from the intersection of 71st and Stewart. Stewart is about 0.7 miles east of Meridian St. and 1+ miles west of S. Broadway. (If you were driving from the OxyChem plant, you would turn east onto 71st St.)

REMAINING DATES FOR 2015

- **Wednesday, November 18 – Update from Geologists on Earthquake Research. *Meet at Haysville Learning Center at 6:30.***
 - The two geologists who spoke in November 2014 will return to update members on results from new seismic sensors in Kansas and from various studies to determine causes of the increase in earthquakes, including whether hydraulic fracturing (fracking) could be the cause.
 - The CIG selected this topic in 2014 to learn whether this seismic activity could have an impact on plant deepwells and overall operations.
 - Mike Dealy, Manager of Wichita Operations for the Kansas Geological Survey, and Tom Hansen, a geologist who has worked with the OxyChem Wichita plant as a consultant, will speak.

MISSION STATEMENT

The OxyChem Community Involvement Group (CIG), representing a cross-section of the Wichita Metropolitan area, works in partnership with OxyChem to improve plant-community interaction. The CIG serves as a conduit for conveying community concerns to the plant and for the plant to share information about OxyChem's operations with the intent to resolve community concerns.

LIBRARY CARDS

Haysville Community Library cards are available free of charge to anyone over the age of 6. You do not need to be a resident of Haysville.

If you are at least 18 years old, you will need a valid, state-issued photo ID to apply for a card. If the address on your ID is incorrect, you will need acceptable proof of address.

If you are 6-17 years old, you will need the signature of a legal guardian to apply for a card. The guardian must be present at the time of application, and must have a valid state-issued photo ID.

You are responsible for all items checked out on your library card until that card is reported lost.

If your card has been lost or stolen, you should report this to the library as soon as possible. You will need to show a valid state-issued photo ID to reactivate it. You can not have more than one active library card. **There is a \$1.00 fee to replace your card.**

COMPUTER USE

Public computers are available at the library, accessible with your library card barcode. Visiting patrons with a valid state ID can be issued a guest pass at the circulation desk.

Hours

Monday - Thursday	9:00-9:00
Friday & Saturday	10:00-5:00
Sunday	1:00-4:00

HCL observes most federal holidays

NOTABLE SERVICES

Your Library: Online

The library's website lets you search our catalog, place holds, and manage your account from home. Click the "Search Our Catalog" picture at <http://www.haysvillecommunitylibrary.org/>

Kansas Library Card

This free card gives Kansans access to more than twenty databases. These include newspaper archives, academic journals, auto repair manuals, encyclopedias, Heritage Quest, audio books, and more. **Any resident of Kansas is eligible.** More information is available at the library, or at <http://www.kslc.org/>

Learning Express Library

Accessible from the library or from your home computer. Learning Express Library offers preparation for hundreds of major tests, civil service exams, and U.S. citizenship exams, job finding skills and resume preparation <http://www.learningexpresslibrary.com/>

Genealogy

Genealogy group discussions held monthly on the second Saturday of every month at 2 pm (in August the meeting is held on the first Saturday). The Ancestry.com database is available for use at all library workstations.

Friends of the Library

The Friends of the Haysville Community Library sponsor special events, support library activities, and raise funds for various library-related causes. Open to all, the Friends are a nonprofit, all volunteer supported organization.

The Haysville Community Library Foundation

The Haysville Community Library Foundation raises funds from independent, private, and corporate sources which are then dedicated to special projects to benefit the Haysville Community Library and the citizens of Haysville.
